Process

Please keep in mind that we don't use Google Maps to authenticate any type of Shipping Address. We should be using USPS Website, this is our official validation tool. null null Search Path: CCC KB > USPS Zip Code Lookup. null Also, we didn't attempt to resolve the Insurance error "Subscriber's DOB" is missing" error in the Patient Station Checklist. This was a Commercial Insurance, so we should have verified this with the Pt. null Lastly, we didn't attempt to fix the E-rejected error either.
